

Safe Surgery Saves Lives Workshop

March 8 & 9, 2010 • Pan Pacific Hotel, Vancouver, BC

Don't miss the Safe Surgery Saves Lives Workshop!

This is your chance to be part of a pan Canadian networking opportunity aiming to make surgery safer. If you are a surgeon, physician, anaesthesiologist, OR nurse or recovery nurse you NEED to attend.

The workshop will provide a rationale and ways for you to successfully promote the "Safe Surgery Saves Lives" initiative in your institution and practice. Hear about the latest knowledge to support your work from renowned experts and be motivated by real life stories shared by your peers.

Space is limited, [register today!](#)

[Click here](#) to access the provisional agenda.

Participation fee: \$150

This event will be accredited for RCPSC Section 1 MOC credits.

Visit www.safesurgerysaveslives.ca for more information about the Safe Surgery Saves Lives Initiative.

We are looking forward to seeing you in Vancouver!
